DESCRIPTION

A unique opportunity to secure a plot within La Zagaleta, widely regarded as one of the most prestigious private residential estates in Europe.

The land has been fully prepared for immediate construction. The terrain has been professionally levelled, retaining walls have been completed, and a valid building licence is already in place. A full architectural project is available, offering the future owner a significant advantage in terms of both time and planning.

Set within one of the Costa del Sol's most sought-after gated communities, La Zagaleta provides residents with an exceptional standard of living, including round-the-clock private security, two exclusive golf courses, an equestrian centre, and commanding views over the Mediterranean coastline.

Plots of this nature, offered in such an advanced state of readiness, rarely become available within La Zagaleta. This represents a compelling proposition for the discerning buyer seeking to create a bespoke residence in one of southern Europe's finest addresses.
